Fees

National Recognition / Credit Transfer (CT) Credit Transfer involves assessing a previously completed course or unit(s) of competency from a Nationally Recognised Qualification, to see if it provides equivalent learning or competency outcomes to those required within the applicant's current course of study. It is based on agreements between institutions or organisations as to the credit value to be given for specific units of competency and learning outcomes within a course or qualification.

C.O P.E.'s Recognition Policy is to recognise the applicant's AQF qualifications and statements of attainment issued by any other Australian Registered Training Organisation (RTO) including TAFE.

The applicant for national recognition must complete the National Recognition / RPL SELF-ASSESSMENT form and provide evidence of certification for units of competency being claimed for recognition with evidence. Documented evidence in the form of a notated copy of a certificate, statement of attainment and / or academic transcript is required from the applicant for C.O P.E. to commence with verification procedures. The notated photocopy of the evidence will be maintained on the applicant's file. The Trainer / Assessor will verify authenticity, completeness and compliance with the Australian Qualifications Framework and the VET Quality Framework. On confirmation of authenticity and validity of AQF qualifications and / or Statements of Attainment, the Trainer / Assessor will communicate the outcome to the applicant and record the results in the participant's file ready for data entry in the Participant Management System. If the evidence is incomplete or not compliant, the applicant will be advised by the Trainer / Assessor.
